Wardrobes & Walk In Wardrobes

Brochure 2024

AMALFI

Like a treasure chest, the Amalfi wardrobe opens up to reveal its inner secrets. Not just clothes and shelves, but a home office niche for an unexpected, intimate workspace solution. This allows you to create a functional, compact workspace, discreetly stowed away behind doors that conceal it. The Amalfi has full length door handles, coordinated or contrasting with the door, which enhance the linear geometric wardrobe design.

Available in: Hinged, Sliding, Flush Sliding Doors

BODY OF ART

CORNICE

The Cornice offers slim lines and a sophisticated style. It can be realised in a wide selection of different door finishes. The metal frame around the doors, gives a minimal yet truly contemporary style feature.
The angled long handles along the frame is also a sleek way of opening the doors. The Cornice is a versatile product, sure to go well in any space.

Available in: Hinged, Sliding, Flush Sliding Doors

CREA

The Crea wardrobe is one who's beauty is defined by the pairing of vertical and horizontal lines, which is also apparant in the styling of the indented handle.
A contemporary wardrobe, offering the perfect storage solution for the modern bedroom. The unique door design is made of different sized glass panels, in a mix of both matt and glossy finishes.

Available in: Sliding, Flush Sliding Doors

ICONA

Icona features a linear and sophisticated design. The handle can be made either horizontally or vertically, which is recessed in to the door panel whichever way you choose, a focal point of the door.
The Icona is a modern beauty, who's simplicity lends itself to the modern home.

Available in: Hinged, Sliding, Flush Sliding Doors

MANHATTAN

Manhattan, the linear, modern and elegant wardrobe door stems from a simple concept, inspired by minimalism and by love of functionality expressed in an effective and straightforward way. The door's structure is in wood but it can be customized in a wide range of finishes and materials. Specifically the handle detail is inset in the front of the door and can provide a contrast to the finish of the door itself.

Available in: Hinged Doors, Sliding Doors

MILANO

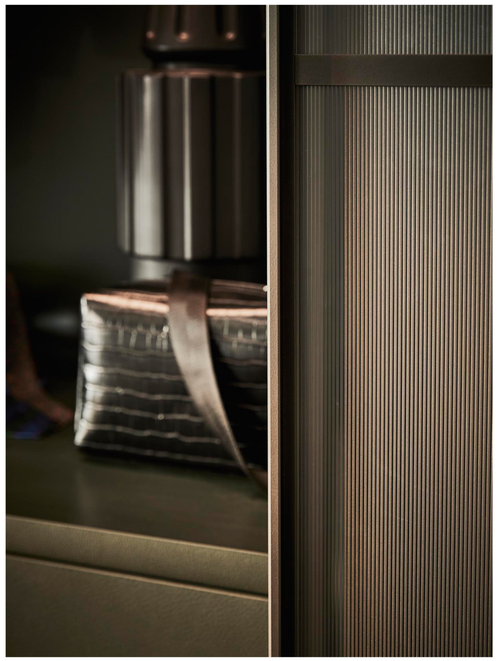
Milano is an elegant hinged door wardrobe that features prominent glass doors. The transparency of the glass allows you to exhibit your clothing, making a wonderful display feature. The frame encases the glass panels, giving it a contemporary look. The Milano showcases the need for organisation and presentation within the modern home.

Available in: Hinged Doors

MURANO

Flowing surfaces, as simple as the material they are made of. Murano is a homage to the timeless appeal of Murano glass. The perimeter frame of the door is designed to resemble the frame of a work of art: the chamfered edge frames the front discreetly, with understated beauty, enhancing without imposing on the style. Glass remains the absolute protagonist of subtle contemporary bedroom furniture.

Available in: Hinged, Sliding Doors, Flush Sliding Doors



NASTRO

Defined by vertical grooves the Nastro wardrobe represents contemporary storage furniture. With a large modular capacity and scope of finishes available, it allows functional combinations that fit perfect in every space. Characterized by a simple yet modern and delicate design. Nastro is defined by the door handle that lays inset in to the edge of the door, giving it a handleless look.

Available in: Hinged, Sliding, Flush Sliding Doors

PLANA

There is nothing but simplicity, versatility and freedom to decorate with the Plana wardrobe. A completely customizable wardrobe, through the choice of different surface finishes and types of handles. Its contemporary simplicity is what makes it ideal for any space or scheme in the modern home. The Plana can be composed in linear or corner compositions, suited to any space or area.
A diverse wardrobe that showcases contemporary design and the flexibility needed for the needs of modern day storage.

Available in: Hinged, Sliding, Flush Sliding Doors

RAGGIO

The doors of the Raggio wardrobe are distinguished by vertical grooves and asymmetric cuts that animate it, channeling the looks on parallel surfaces which are embellished with painted glass or mirror. A contemporary stye wardrobe, that pair perfectly with Nastro doors for uniformity in the handle style.

Available in: Hinged, Sliding, Flush Sliding Doors

TRATTO

The light and strong shapes of the Tratto wardrobe are perfectly adapted to all living spaces, conceived by respecting the essential and spontaneous style of modern living. The combination of secure grab and aesthetical detail in the handles only adds to its contemporary appeal. The handles appear vertically with either hinged or sliding doors.

Available in: Hinged, Sliding Doors

TV DOOR

Precision, functionality and elegance. Thanks to its linear, handle-less design, this sliding door perfectly matches the different wardrobe models for which it is available: Amalfi, Cornice, Icona, Manhattan, Nastro, Plana, Raggio and Tratto. The recessed module is designed to accommodate a TV, which is framed like a picture and is an integral part of the door without compromising its volume and shape.

Available in: Sliding Doors

VERONA

The features of wardrobes of times past are dressed up with new style, thanks to a contemporary look that still evokes domestic memories. The Verona wardrobe, is a new take on classic framed door fronts and plays with squared forms of different dimensions that create vertical and horizontal lines. A vertical groove in the wardrobe frame, ensures discreet, elegant opening, with no visible handles.

Available in: Hinged Doors, Flush Sliding Doors

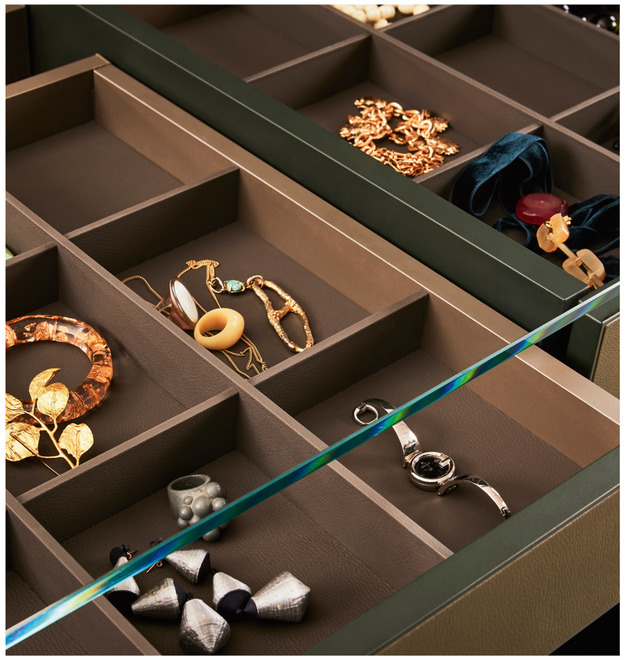
ANTEPRIMA

The Anteprima walk in wardrobe is a customizable storage solution, which in its simplist form is a panel system, allowing for accessories to be fixed to the vertical uprights that connect everything together. Accessories come in the form of practical storage solutions: drawers, shoe racks, trouser rails, cubbies and much more. A completely bespoke and versatile walk in wardrobe, Anteprima is perfect for any scenario.

Yoshitomo Nara

ISLAND

The Island is a storage system that appears in the middle of the room like a dreamy oasis, an island incorporating the modern design of walk in wardrobes.
Useful and versatile to complete any walk in wardrobe, thanks to the possibility of being equipped with drawers, shelves and other storage solutions. It also provides space for jewellery, accessories & trinket leather trays, inside an elegant glass case to house and protect your treasures.



WOOL

SIPARIO

Sipario is a diverse open module system. Allowing you to create a walk in wardrobe that suits any desired space. Perfect combined with modules with doors, or completely open, Sipario showcases a modern take on traditional walk in wardrobes. Equipped with a range of different internal accessories, Sipario can be presented with or without additional decorative framing around the structures edges.

TEATRO

The Teatro walk in wardrobe system was designed to create a subtle frame for everything in contains. The essential and elegant structure presents contemporary beauty which is suitable for any environment. The frame provides dividers, with the absence of solid panel sides. A versatile system that allows itself to be completely open, combined with glass panelling or placed in the centre of the room as a freestanding unit. A custome design can be made with Teatro, whatever the style and space.
